Meeting results:

1st June 2015 - results

SavaParks Declaration has been signed by 5 new project partners (**Annex 6**).

Pilot project outlines:

- 1) Nine project outlines submitted by end of May 2015 from various applicants
- 2) Evaluation of each project outline by 30th June 2015
- 3) Revised full project proposals have to be submitted by 7th August, 2015
- 4) Applicants will be informed on decision by September 15, 2015
- 5) Project duration by September 2016

Guiding principles should be included:

- 1) In the management documents on the international and national levels e.g., Danube and Sava river basin management plans, national water and nature management plans etc.
- 2) SavaParks network (Goran Gugić as the network spokesman) should send an official letter to the national institutions to inform responsible ministries and other decision makers on the SavaParks network, signed declaration and guiding principles (until 30th June)
- 3) Guiding principles should be send to the EC (DG Environment, DG Regio), ICPDR and ISRBC by SavaParks network and EuroNatur

2nd June 2015 - results

SavaParks future project planned to be applicate on the Call of the Danube Transnational Programme (**Annex 7**)

- 1) By 15th June 2015 send to all project partners:
 - Project proposal with detailed description of WPs (**Annex 8**).
 - form for evaluation of the proposed project activities (**Annex 9**).
 - form for basic information on each project partner (**Annex 10**).
- 2) By 30th July 2015 project partners should send their decision on the participation in the call for DTP
